

Beautiful light. Effortless control.

Made to measure. Made in Germany.

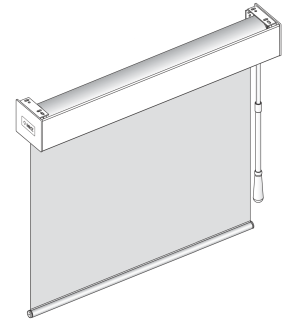

MANUAL ROLLER SHADE / R_03

OPEN ROLL / 04-3307

FASCIA OPTION / 04-3317

Two ways to operate. One beautifully simple roller shade.

Control, comfortably within reach.

Use the bottom bar or side operating wand to adjust the shade. Manual operation makes everyday light and privacy control simple, without wiring or charging.

Finish the look with fascia.

Choose the clean, exposed roll of 04-3307, or specify the **04-3317 fascia option** to conceal the roller from the front and create a crisp, finished line above the fabric.
